Old Business

1. **Enchanted Bakery:** A bid has been made on the property from a shed distribution company. It will require a change of use.
 - a. Robert Parisi had an interest in the property. He joined the meeting to inquire if there were any other properties available where he could sell local farm products and possibly meals. The Old Highland Arms property was mentioned but it would require renovation to serve meals. He asked if Chesterfield had restrictions on the hours a business could operation. He would like to open at 6AM. Kelli agreed to look into this.
2. **Copper Cannon Food Truck:** Ron will ask John Pieper if there has been any movement on this issue. Jeff Scott did mention that Copper Cannon now has curbside pickup.
