

APP INSTRUCTIONS

Profile Registration

1

Select "Register for an Account Now"

The screenshot shows the RxLocal app's home screen. At the top, there's a header with the RxLocal logo. Below it is a large image of a doctor and a patient. Underneath the image are fields for 'Username' and 'Password', followed by a 'Login' button. Below the login button are links for 'Forgot username and/or password?' and a prominent 'Register for an Account Now' button. At the bottom, there's a version number 'v 5.0.6' and a 'Legal Info' link.

2

Input Last Name, Rx Number, Date of Birth, and Zip Code

(All four of these fields need to match our database; if not please contact us)

The screenshot shows the 'Patient Info' screen in the RxLocal app. It has a teal header with a 'Back' button and the title 'Patient Info'. Below the header, there's a section titled 'Patient's Primary Information:' followed by four input fields: 'Patient's Last Name', 'Patient's Rx Number', 'Patient's Date of Birth', and 'Patient's ZIP Code'. Each field has a placeholder text 'Enter Your [Field Name]'. At the bottom right, there's a 'Next' button.

3

Read and Accept the Terms of Service

The screenshot shows the 'Terms of Use' screen in the RxLocal app. It has a teal header with a 'Back' button and the title 'Terms of Use'. Below the header, there's a section titled 'Scroll to read all Terms'. The main content area contains text about the terms of use, including the company name 'PioneerRx®, LLC. (Creator of RxLocal)' and the date 'Last Modified: August 13, 2018'. At the bottom, there are two buttons: 'Decline' and 'Accept'.

4

Create a Username and a Password. Enter your Email and Phone Number

The screenshot shows the 'Create Your Account' screen in the RxLocal app. It has a teal header with a 'Back' button and the title 'Create Your Account'. Below the header, there's a section titled 'Password Requirements' with a question mark icon. Below this are four input fields: 'Username', 'Password', 'Email', and 'Phone Number'. Each field has a placeholder text 'Enter Your [Field Name]'. At the bottom right, there's a 'Next' button.

5

Select your Security Questions from a list of choices, and input your answers accordingly
(You may also create your own questions)

The screenshot shows the 'Create Security Questions' screen in the RxLocal app. It has a teal header with a 'Back' button and the title 'Create Security Questions'. Below the header, there's a section titled 'Security Question Requirements' with a question mark icon. Below this are three security questions: 'In what city or town was your first job?', 'What is your maternal grandmother's maiden name?', and 'What was the name of your elementary / primary school?'. Each question has a 'Choose New Question' link and an input field for the answer. At the bottom right, there's a 'Next' button.

6

Create a PIN, and click Save. Enter your PIN a second time to confirm it.
(You will use this PIN to access the RxLocal app going forward.)

The screenshot shows the 'Pin Creation' screen in the RxLocal app. It has a teal header with the title 'Pin Creation'. Below the header, there's a section titled 'Enter PIN' with a numeric keypad. The keypad has buttons for digits 1-9, 0, and a backspace icon. At the bottom, there's a 'Save' button.

APP INSTRUCTIONS

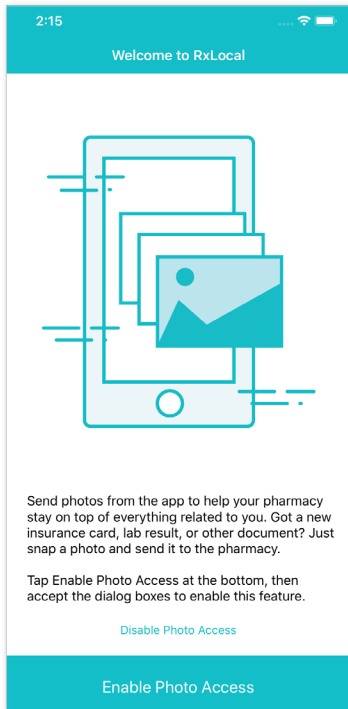

Profile Registration

7

Select whether you want to allow the app to access your photos. This is required to send images to your pharmacy via the RxLocal messenger.

This is required to send images to your pharmacy via the RxLocal messenger.

8

Choose whether to Enable Notifications from the RxLocal app.

9

RxLocal registration is complete! You may now use the app.
