Please can all parents check their emails for our Parent's Evening Survey. You have been sent a survey monkey link to give us an idea of how you would prefer parent's evening to be this half term given the current situation. I really feel this week that all our children have settled into our new normal and have had a successful week. Thank you for your continued support and understanding, Mrs Stinchon

Polite Reminder

We are grateful for you all using the one way system and understanding the need for staggered start and finish times.

In school the children are in their year group bubble until they leave the school grounds.

Therefore, we are not allowing junior children to come down from the KS2 yard to the KS1/EYFS area at home time to meet parents. They will wait in their area on the KS2 yard for you to collect younger ones and then come up.

We have also requested that children do not play and run round on the yard at drop off or pick up times.

This is working really well in a morning. Please could we ask that the children who are waiting for siblings do not run round and mix bubbles. Thank you

I hope that if you have any questions or concerns that you will ask the class teacher of the office as I am sure together we can work anything out.
