**RSD -THE STORY**

Record Store Day started 2007 when over 700 independent stores in the USA came together to celebrate their unique culture. The UK followed suit a year later and 2018 sees the 12th Global celebration for Independents. Special very limited vinyl plus a few CD and Cassette releases , various promotional products with each store doing its own thing on the day!

Visit the official RSD website for all the latest at [www.recordstoreday.co.uk](http://www.recordstoreday.co.uk)

**BEFORE ALL THAT-LAUNCH NIGHT**

open 'after hours' on Thursday 28<sup>th</sup> February until 7pm - Celebrating the release of the Record Store Day UK 2019 list, Join us for our launch party this Thursday from 5pm for music and chat about that all important list. We will have printed copies to view once it goes official so you can start compiling your 'wants list', to make it go with a swing there will be some free beverages from Friels Cider.

**TODAY - WELCOME NEW DEALERS**

We have been so lucky to have the support of so many great Record Dealers over the years , our Fairs wouldn't be here without them but today we also welcome Alan, Steve and Tony who will be behind the stalls for the first time at our Fair

**CAFE ON RSD**

The Cafe at the Daniel Owen Community will be serving a Breakfast menu, hot drinks from 8.30am on RSD to cater for those who have been at the shop bright and early plus Fair goers.

**WHERE TO FIND RSD RELEASES**

Our shop in Mold on New Street will have those all important titles, they will not be available at the Record Fair. RSD rules mean all sales have to be from the shop.

**TY PAWB x 2**

Our first visit to Ty Pawb was originally intended (as stated ) to be a one-off but such was the popularity of this event we have decided to return in 2019. Initially another November date was added but an extra date has now been added in May which conveniently drops the week before Focus Wales in Wrexham. So we shall monitor if the interest in this excellent venue is continued across the two dates. For those using our website you will probably be familiar with our FAIRS page where you can find venue information, we are adding Ty Pawb to this page so keep an eye out over the coming days and weeks as we are currently having a few minor tweaks /updates to the Website.

**THE SUN HAS GOT HIS HAT ON?**

As we write this it seems the UK will possibly be hotter than Greece this Saturday - tempting fate? When planning this Years events booking a February date can be risky and the Weather reports became increasingly more important as the day approaches but fingers crossed.....
