“ I loved his beautiful and generous heart that he got from his mom, Imelda. They were always there to help each other through the really rough times and they had more than their fair share of them. Matt was always so devoted to his family and he had such a love of God! May you rest in peace precious soul!

“ I first knew Matt through Coca Cola. At various times he was a mentor, supervisor, fellow driver, hunting buddy and friend. Fifteen or twenty years ago I would say, " I want to be like Matt when I grow up". Matt Jarrett is good people.

“ Matt became my best friend and shooting teacher. I always admired his laid back demeanor and his knowledge of everything hunting and shooting. A great family man who doted on his girls and never hesitated to give you anything he had to make sure that no one ever went without. A great loss to humanity. Rest in peace, my friend.

“ I am forever grateful for Matt & Tammy as they played second parents to my daughter as she grew up so closely to their own. Matt proudly attended every school activity that his girls were in. I'll always remember that about him. My heart aches over such a tragic loss.

“ This tears my guts out old friend. I have a lot of great memories of the times that we spent in the woods hunting and on the water fishing. I will always cherish those times and smile. I really hate that we had become distant in the end. That part of our relationship will always haunt me. I will continue to pray for Tammy and the girls.
Rest peacefully buddy.
