Our Lady of Fatima

On May 13th we will celebrate the 104th Anniversary of the Apparition of Our Lady to the three shepherd children at Fatima Portugal, they were: Lucia de Jesus dos Santos (age 10) and her cousins, Francisco (9) and Jacinta (7) Marto. Our Lady appeared to them the 13th of each month for six months.

During this time World War I was raging through out Europe and Pope Benedict XV begged the Queen of Peace to tell us what to do to obtain world peace. The message she gave the children was a simple one **"Pray the Rosary every day do penance, and have devotion to her Immaculate Heart"**.

If we want peace we must pray the rosary. This is what Sr. Maria Lucia of the Immaculate Heart, a Carmelite nun, has said about the rosary: "People must recite the Rosary every day. Our Lady repeated this in all her apparitions, as if to arm us in advance against these times of diabolical disorientation, so that we would not let ourselves be fooled by false doctrines, and that through prayer, the elevation of our soul to God would not be diminished".
