UKIRK at VA Tech needs your help finding new students! If you have students who will be entering VA Tech this fall, we want to invite them to be part of the UKIRK Campus Ministry. Please send their name, address and email to Kathy Carpenter, [campusminister@pcusa-vt.org](mailto:campusminister@pcusa-vt.org). Our community of students will be a great support to new students. We are planning Tuesday night dinners and worship and programs – a retreat this fall and a group to go to the Montreat College Conference in January. Thanks for your help with this! We look forward to meeting your students in August.

Highlights from the  
March 247th  
Synod of the Mid-Atlantic  
Assembly are now available.

## **Job Opportunity: Clarksville Presbyterian Church**

Clarksville Presbyterian Church seeks to hire a part time secretary (minimum 12 hours/week). Basic clerical skills are required with a working knowledge of office programs such as Publisher or Word. Responsibilities will include assisting the minister and congregation members with clerical support as needed (i.e., weekly preparation of the bulletin, maintaining the church directory, among other things).

Candidates need not be PC(USA) but Christian church membership with knowledge of liturgy is preferred. Finally, we seek a welcoming individual able to maintain healthy boundaries and strict confidentiality in matters of parish business and pastoral care.

If interested, please email Dan Hooker, Elder for Personnel ([hookerdanielCPC@gmail.com](mailto:hookerdanielCPC@gmail.com)) or call the church office (434-374-8344).

## **Is Your Church Doing Something New?**

The Church Development Committee would like to hear from you if your church is doing something different that's working well, either as the result of the pandemic or just in general. Many of our churches are trying new things with online streaming, pastoral care, and online communities (like online Bible Studies) that the rest of the Presbytery would benefit from hearing.

If you have anything innovative to share  
please contact Jim Moss at

# OTHER SIDE OF THE HILL

Interfaith Power & Light  
A Religious Response to Global Warming

Rural perspectives on a changing climate  
July 10 - 25

The Interfaith Power & Light network has been offered a unique opportunity to be among the first to share the new short film, **Other Side of the Hill**. Plan to share it with your congregations and members!

The film is a hopeful, inspiring look at local leaders on the ground in rural America who are leading climate action in their communities. But it is also about coming together, finding common ground and new climate frameworks, and shining a light on rural voices as we envision a path forward.

SAVE THE DATE. The film will be available for free online viewing July 10 - 25. Registration opens July 1.
