

FAMILY LAW AND DOMESTIC RELATIONS

From the smallest issue to the most complex, each family law matter is equally important to the client dealing with it. Our attorneys understand that and provide empathy and skill in handling your legal concerns. We incorporate strategies which draw on our extensive experience in family law and litigation, helping clients navigate and resolve their family law issues efficiently, carefully, and confidently.

A sample of some of the legal services provided by our Family Law and Domestic Relations team includes:

- alimony
- child support
- custody
- divorce
- legitimation
- modification
- pre-nuptials
- visitation

Drew Eckl & Farnham can handle matters in all counties across Georgia. We offer the attention of a small firm but have the advantage of collaborative resources of a large firm, including, wills, trusts and administration of estates following a divorce. Contact us today and let us know how we can help you.
