## PRIVACY POLICY

This web site is operated by Pioneer Services Ltd., trading under the name Pioneer Inventory. This privacy policy may be updated from time to time.

Copying of any material from the website, in whole or in part, for public or commercial purposes, is strictly prohibited unless prior consent has been obtained from Pioneer Services Ltd.

### INFORMATION COLLECTED ONLINE

#### Personally Identifiable Information

Personal information, i.e. names, addresses, phone numbers and email addresses collected through this website, is only collected with your permission and as a part of our quotation system for the purpose of responding to quotes. You may also choose to send us your email address to be added to our email list to be updated about new products and promotions. We do not sell, trade or give away any of this information. We value our customers' privacy and do everything we can to protect that information.

If you have any concerns about the security of your information, please do not hesitate to call us, and of course if you would prefer to request a quote offline, just call us at [+44] 07735 861 767 or [+44] 01908 616 435.

#### Non-Personally Identifiable Information

Our web server maintains log files of information useful for troubleshooting and optimizing our online presence, and for aggregate statistical analysis of website usage.

**Web server logs:** For each web page and image requested, our server records one line in a log file. This information is commonly collected by web servers, and is of very little use for anything other than web server diagnostics.

**Cookies:** Pioneer Services Ltd. uses cookies to store browser state. This allows us to remember users as they use our site. The cookies themselves don't contain information. They contain a reference to information stored in our web database.

### LINKS TO OTHER SITES

There are some links on this web site that direct the user to other sites on the Internet. Pioneer Services Ltd. has no control over these other sites. You should examine their privacy policies if you have concerns about how they use information.
