SKU: MP45631

Categories: [Durables](#), [Orthopedic](#), [Orthopedic Support](#), [Physiotherapy](#), [Rehabilitation](#)

## Description

This Ortho Join pad warms your body for efficient pain management. Localized application of heat dilates the blood vessel enhancing perfusion of the targeted tissue. Dr. Odin Ortho, a Joint pad, is one of the best sources of relief for Knees, Shoulder, and Elbow. Applying heat can help reduce pain in strained or over-exerted muscles. Country of Origin: India
